

St. Andrew's Episcopal Church

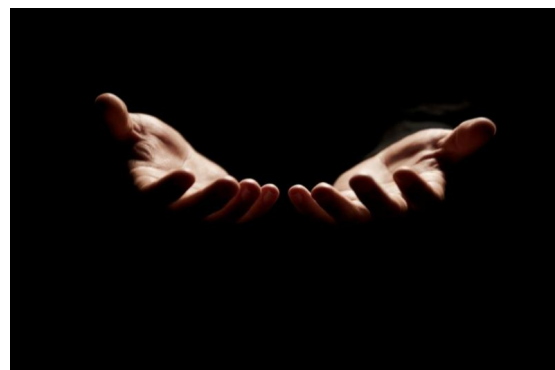

Our Bishop Audrey Scanlan is coming!

I invite you all to be with us this Sunday as we celebrate our time with our bishop, Audrey Scanlan, who will worship with us, confirm members into the Episcopal Church, share a sacred time with our young people, spend time with our vestry members -- and be here for you! She is our chief priest and pastor and in that role, wants to know you. I am already certain I'll be bubbling over with joy at the glorious time we'll have on Sunday. Looking forward to seeing you all there!

Our Bishop's Blog

Each week our bishop writes a blog for us. This week it contains incredible insight into the offering of prayer. She shares her own varied and meaningful practices of prayer, while invites us to ponder our practice and meaning of prayer.

Here's a line she writes which speaks such truth:

"The gift of prayer creates a union between us, the person for whom we pray, and our loving God. It is holy and real and transformative. It is the language of caritas— loving kindness. Speak some today."

Confirmations this Sunday

We are blessed that the following people will be confirmed in their faith in the Episcopal Church this coming Sunday: Emma Eshleman, Cameron Gilbert, Bramley Hawkins, Della Hawkins, Shannon O'Donnell, Zachary Rhodes, and Laurel White. Dolly Koehler will be making a Reaffirmation of her faith (at 90 years young!) So much to celebrate!

The Episcopal Home February Newsletter

The Episcopal Home is not only adjacent to our property, it also holds a large part of our heart. Many of us give our energy, time, and care to the residents there because we believe in their mission to provide excellent personal care to the residents and their families, enhancing their physical, intellectual, social, and spiritual wellbeing.

Keeping you in the loop!

Youth Mini-Mission Events

Once again, we need to cancel the winter hike and bonfire due to the rainy weather. UGH!

This YMME is part of our year-long study of our relationship and stewardship to God's creation, our earth.

Next YMME is for everyone! And it's inside so no rain date needed! Let's make this a parish event.

Our next YMME is coming up very soon -- **next Sunday, February 18th at 5 p.m. at church.** It's a potluck so bring your favorite thing to eat/share and get ready for some real inspiration. We will be hearing the captivating story and seeing photographs of a "thru hiker" of the Appalachian Trail -- someone who hiked the entire length! That's pretty impressive. And I bet that experience changed his relationship with the earth -- and usually when our relationship with the earth changes, so does our relationship with God. They just are connected!

The Daily Cup: A Project in Gratitude

One of our parishioners and vestry member, Sarah Wilson, has created this meaningful, inspiring, and (I believe) life-giving Group on Facebook where you are invited to reflect and share your experiences with gratitude.

This group is a place to share positive experiences with daily gratitude practice, get encouragement with inevitable life struggles, and create a community around gratitude practice.

This group encourages the daily practice in writing down or mindfully listing the things you are grateful for. It can sound easy, but believe me, this can be hard soulful work!

I am certain your spirit and heart will be shaped for the better for engaging in this practice.

Lent is right around the corner

Come early, stay late and let the good times roll.

6 p.m. Ash Wednesday Service at St. Andrew's

In this, the church's holy spring, we ask you, O God to renew us. With a gentle breath, blow from our lives the dust of sin, and make us your people again. Lift us from guilt, and shame, and regret, to repair all we've broken, and give us the gift of repentance. With the lengthening days, stretch our hearts, too, to be ready for your risen life; through Christ our Lord. Amen.

Let's do this daily reflection together during Lent.

Preparing for Sunday

Bishop's Visit Last Sunday after the Epiphany (Texts of Transfiguration)

This Sunday is the Last Sunday after the Epiphany and the texts portray the story of the Transfiguration, when Jesus went up the mountain with his closest friends and was changed (transfigured), and affirmed in his identity, and came back down to walk into Jerusalem. We hear these texts always right before the season of Lent begins.
