Whether you have been walking through our red doors for 20 years or came for the first time last week, you are a part of our spiritual and parish community and we care about what brought you here, what keeps you here, what supports your walk in faith, what transforms you into a disciple of Christ, and what your heart desires for us as a parish to become, for that's where the Holy Spirit is showing up to guide and form us. Mother Barbara's Recovery

I am grateful beyond words for all your love and support as I recover from surgery on Tuesday, which repaired my Achilles Tendon. I'm resting comfortably and each day feel less pain and more energy -- and each day is one day closer to my full recovery when I will finally and joyfully walk down the aisle at church. All will be well, it will just take a little time. Thank you for all your support. It means the world to me. Blessings and love, Mother Barbara
