AN ADVENT DEVOTIONAL
ON THE WONDERS OF BIRDS

Advent is the church's dawn chorus.

It starts in the silence, in the shadows, and looks to the light.

Each week, we gather to listen and sing straight into the deepening darkness, proclaiming that in the end, the night will give way to the day; winter will give way to the spring;

despair to hope, war to peace, grief to joy,
violence to love -- and God will come again,
like the morning star in the east.

Each week, through this devotional practice,
you will engage through scripture,
reflection, song, conversation starters, ways to serve,
and by creating a bird ornament for your tree.
